In The General Election

Milam drivers apparently declared "open season" on livestock during the past 10 days which saw three persons injured in collisions involving two cows, a horse and a truckload of turkeys.

Highway Patrolmen Gilbert Smith and Durwood Kennedy reported only minor injuries and a minimum of \$100 vehicle damage in each of the eight accidents.

Tuesday, Juan Hernandez Ruiz, of Rockdale, collided with a horse. His 1954 Chevrolet pickup had about \$75 damage. The horse was killed. The collision occurred 3.4 miles west of Milam.

Sunday night, Bill Morris of Temple, struck a cow on US 190 west of Brazos River bridge. There was \$350 damage to his car. He escaped injury and the cow was killed.

October 30, a truck carrying several hundred turkeys went off of US 79, four miles north of Rockdale, and overturned. Driver Thomas Joe Dornak, of Hallettsville, was uninjured but 75 turkeys were killed. Patrolmen spent most of the morning recovering the rest of the flock.

Another cow collided with a car driven by Ray Eugene Biggers, of Abilene October 29 on US 77 in Milam. About \$350 auto damage was estimated. The cow was killed.

A head-on collision Sunday on Sandy Creek Road caused one minor injury when vehicles driven by Jessie Dee Ellis, of Rockdale and John F. Williams, of Milam, collided. Bonita Williams, one of six passengers in the Williams car, suffered a head cut.

Sunday, a car driven by Billy Don Mills, of Milam overturned 2.5 miles north of Milam on US 79. Damage to his 1953 Mercury was estimated at \$750. He suffered cuts and an injured back.

And a collision Monday between a Texas Highway Dept. truck driven by James W. Edward Smith and a 1957 Chevrolet, driven by Barbara Charles Walter, occurred Monday at Branchville on US 190. The car was pulling out of a side road to Branchville School when the collision occurred.

The eighth accident involved a collision October 30 between a car driven by Leroy George Woelfel, of Thorndale and a vehicle driven by Elizabeth S. Schrader, also of Thorndale. She was taken to Taylor Hospital for treatment of injuries.

Rep. - Elect Schiller

To Vacate Board; 2 School Posts Open

Milton Schiller, District 45 representative - elect, is expected to submit his resignation from the Cameron School Board Thursday night, prior to taking office in January, according to school officials.

Supt. Charles Zeigler said that school board members last month had considered in executive session some successors, yet unnamed, for Schiller, now president of the board and F. W. Vogelsang, who resigned from the board in September. Vogelsang resigned so that his daughter, Mrs. Byron Wise, could apply for a teaching position.

Supt. Zeigler said that a school audit is being completed and a final report should be available in about two weeks.

The Thursday night agenda is routine, Zeigler said. Schiller has been president of the Cameron board for the past year and a half. He takes office as state representative for Milam, Burleson and Robertson Counties in January. He won the Democratic nomination in May over nine-term incumbent Herman Yezak and was elected without opposition in the General Election Tuesday night.

Zeigler said that the Board will probably discuss plans for an equalization of Cameron school district valuations, hoping for completion of a program by October, 1963.

A Citizens Advisory Board last year suggested that property valuation need equalizing to meet the financial needs of the district. Valuations on property are both high and low.

Defends Farm Program

Poage Says Bill Helps 'S&D'

Cong. W. R. Poage Monday night described the Democratic Administration's controversial farm program as an attempt to balance agricultural supply and demand.

Just back from an International Parliamentary Council meeting in Brazil, Cong. Poage lashed out at critics of the farm program.

He said that farmers are entitled to the "same privileges" of industry and labor, who seek to maintain a balance of their production.

"The Administration is trying to avoid surpluses," Cong. Poage told his Farmers Union audience at Simon - George Hall. "We've been

told it is socialistic and even communistic, but it seems wise to avoid billion - dollar surpluses by not producing them."

FARM UNION MEET

The 11th District congressman, re-elected without opposition this week to his 14th term as representative, was introduced by Dicky Ellison, president of the Milam Farmers Union. About 175 members of Farmers Union, many from the Rosebud area, and visitors, heard Cong. Poage's speech.

Poage noted that some believe that "we should sell everything by lowering prices," but it "takes 60 cents subsidy per bushel of wheat

and 8 cents subsidy per pound of cotton to move these items in the world market."

He said the world market cannot pay U. S. domestic prices and would buy elsewhere without the subsidies.

"I do think the farmers should get a fair price, to the extent that products are needed," Poage said.

"The U. S. government is paying nearly \$1 billion to store commodities that won't sell. I am not against storage men, but it is a silly system to build surpluses and carry things we don't need," he continued.

Poage noted that banks and trucklines are regulated according to need and that anyone wishing to start a truckline or a bank has to prove there is a need for it.

"Why shouldn't farmers be allowed the same privileges?" he asked. "Labor tries to balance supply and demand for workers in any one community."

With emphasis, he said "neither industry nor labor has the right to criticize agriculture for attempting to balance supply and demand."

In other action, Councilmen heard routine reports from city water and street department superintendents.

PROJECT UNDERWAY

Alvin Heft, city water superintendent, reported that 1,485 feet of sewerline have been placed in the \$7,000 West Cameron sewer project. He said no date was yet predictable on completion of the project, bringing the first sewerline service to that area.

J. B. Earle, public works superintendent, reported basework underway for widening shoulders on E. Sixth Street from North Fannin across North Jackson to the Santa Fe crossing.

City officials indicated that the street could be rebuilt with oil and spotwork along the sides. Mayor Duncum noted receipt of a letter congratulating the city on its improvements on E. Sixth Street.

Earle also noted that the new city garbage truck was being outfitted for service. He contemplated additional work on E. Sixth Street and equipment repair in the next two weeks.

Jewel Jamboree's

Talent Lined Up

For Nov. 30 Show

The "Little Jewel Jamboree," sponsored by the Cameron Chamber of Commerce will feature top talent on November 30.

Performers for the stage show which will be held after a pancake supper for the general public at 5:30 p. m., will be John Moehring, talented young magician from Rockdale; Bill Austin, an organist who sounds like a whole orchestra on the electric organ; and the Geesenslobs, a trio of comedienne from Rockdale who have performed throughout Central Texas.

Moehring is a student at NTSC in Denton and performs at Six Flags Over Texas this season. His talents have brought him awards from the Magicians Convention held in Austin recently.

Austin is associated with the Austin Music Company in Austin and appears weekly on Tuesday night at the Texan Cafe in Cameron and the Commodore Hotel in Austin.

The Geesenslobs are three ladies from Rockdale who pantomime a comedy routine of music and song.

There's entertainment for all at "Little Jewel Jamboree."

Admission for the show and the pancake supper is \$1 for adults, 50 cents for children 3 to 12 years old. Children three and under will be admitted free.

Proceeds from the Jamboree will go toward purchase of "Welcome to Cameron" signs to be erected at the city limits of the three main highways entering the city.

Lions Sell Out

In \$840 'Sweep'

The Cameron Lions Club Broom sale went over so well at the Cameron voting boxes that members were unable to make the usual house - to - house canvass.

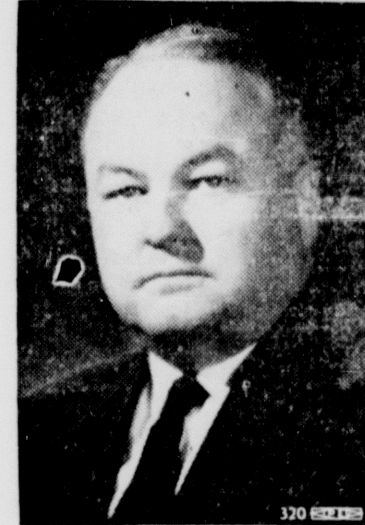

Total income was about \$840 from the sale of brooms, mops and other items.

Part of the profit will go to the local Lions Club to use for the Cripple Children's Camp in Kerrville.

Other parts of the money will be used to purchase glasses for needy children and for a scholarship to a desiring Yoe High School graduate.

4 Queen Candidates —

Homecoming Set For Yoe High

The crowning of the Homecoming Queen will be the main highlight of the Homecoming festivities this week at Yoe High School.

Four candidates have been selected for the honor. They are Jane Hellman, Carolyn Mullinax, Carol Terry and Jane Weid. The winner will be crowned at the half-time of the Cameron - Caldwell game.

Thursday at 6:30 p. m. there will be a bonfire at the old county ball field. Everyone is invited to attend and join in the affair.

To get to the site of the bonfire go to Austin street and turn left at 16th street. This is the intersection near the county home. The field is just across the railroad track on the left. Officials advise all to leave cars parked along the road and not try to park inside the field. The bonfire will be over about 7:15 so that fans may go to the Cameron Jr. High game with Caldwell at Yoe Field. Time is 7:30 p. m. for the game.

RECEPTION
A reception will be held Friday, Nov. 9 in the Homecoming Department in the Yoe High Gym from 6 p. m. to 7 p. m. for all ex-students. This event is sponsored by the Senior Class.

A Friday afternoon pep rally will be held at Yoe High at 3:15. The public is invited to the session.

A dance will be held at the National Guard Armory after the game.

Weather Notes
Temperatures ranged from 78 to a low of 36 during the past week as the weatherman served up mild fall weather.

For Caldwell the probable starting lineup is: Ends - Ed Skrabanek, 154, and Murphy Davis, 172; Tackles J. Don Walston, 202; Guards Leonard Howry, 152 and David Zgaabay, 154, quarterback Dan Harris 145; fullback Larry 45; Lina, 149; halfbacks Frank Horak 35 and Jamie Langham, 147.

The starting line - up will remain the same for the Yoemen this week but it is subject to last minute changes.

On offense the Yoemen are led by left halfback Frank Horak who can both run and pass the ball off of Coach Morris Stone's formation. This is one threat that the Yoemen will have to stop this week.

The starting line - up will remain the same for the Yoemen this week but it is subject to last minute changes.

DEMOS SWEEP

STATE BALLOT

IN MILAM, TEXAS

Milam County Tuesday joined Texas in electing Democrat John Connally governor over Republican Jack Cox 2527 to 1067. Nine votes went to Constitutionalist Jack Carswell.

The Democratic ticket headed by Connally, of Fort Worth, swept the ballot as Connally carried the state by 110,000 votes (incomplete at presstime).

Voting was light in Milam County though heavy in most Texas cities. Officials had expected up to 5,000 votes because of heated governor's contest.

A peak total of 3,818 votes was counted in 38 Milam boxes and absentee voting.

SWEEPS MILAM

Connally carried all 38 boxes according to complete, but unofficial returns.

A state - wide vote total was expected to be about a million and a quarter votes.

Cameron and Rockdale voters favored Connally over Cox in all four boxes. Rockdale No. 16 went to the Republicans in the 1960 presidential election. No. 16 voting went 237 to 204 for Connally Tuesday.

Cameron No. 1 favored Connally 218 to 79. And Cameron No. 2 carried Connally over Cox 451 to 204.

Other voting for state - wide races favored Democrats on the Milam General Ballot. Milam voting went:

Governor - Connally 2527; Cox 1067; Carswell, 9.
Lt. Governor - Democrat Preston Smith, 2863; Republican Bill Hayes, 955.

Attorney - General - Democrat Waggoner Carr 3027; Republican T. Everett Kennerly, 754.

Congressman - At - Large, Democrat Joe Pool, 2886 and Republican Des Barry, 922.

JUSTICE TALLIES

Assoc. Justice, Supreme Court, Place 1 - Meade F. Griffin, 3472; Place 2 - James R. Norvell, 3457; Place 3 - Zolzie Steakley 3471.

Judge, Court of Criminal Appeals, W. A. Morrison 3465.

Railroad Commissioner, William J. Murray, Jr. 3378.

Railroad Commissioner (unexpired term), Democrat Ben Ramsey, 3007; Republican Bernold M. Hanson, 620.

Comptroller of Public Accounts, Democrat Robert S. Calvert, 2893; Republican Mrs. Hargrove Smith, 549; Constitutionalist Joseph M. Rummel, 4.

State treasurer, Democrat Jesse James 3415.

Commissioner of General Land Office, Democrat Jerry Sadler, 3045; Republican Albert B. Fay, 571.

Commissioner of Agriculture, Democrat John C. White, 3011; Republican Harry Hubbard 603.

Assoc. Justice, Court of Civil Appeals, 3rd Supreme Judicial District, John C. Phillips, 3448.

Chairman Cites

County Help

GOP county chairman, Dr. E. O. Smith, Jr. said Wednesday that he and other Milam County Republican leaders appreciated the county wide support the party received both in votes and financial contributions in the November 6 election.

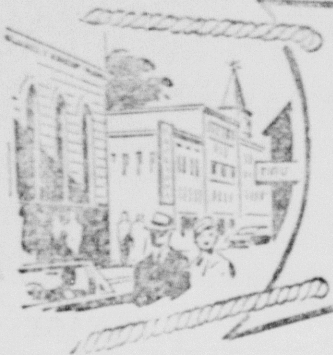

He said also they felt the party made a favorable showing, especially in the races for Governor, Lt. Governor and Congressman at large.

"This was due largely to the hard work and enthusiasm of our volunteer workers.

Dr. Smith also expressed appreciation to the election judges for their co-operation with the party's supervisors.

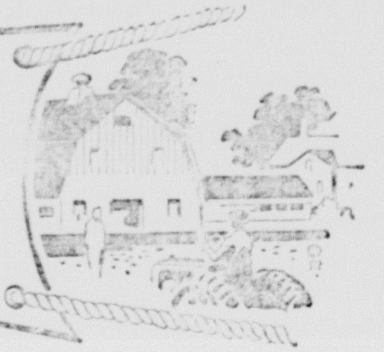

NO HOLIDAY FOR NOV. 11

Cameron merchants will not close for the Nov. 11 holiday. In the voting last April the merchants did not select this as a holiday, Chamber officials said.

GAS saves you a pot-full

Some of the richest people we know always mention economy as a virtue of GAS cooking.

(Maybe that's how come they're so rich.)

But it's true. Low-cost meal preparation is one feature that non-gas cooking doesn't begin to match. Another is speed and control — GAS

applies heat faster, removes it instantly (no 'hang-over' heat in your kitchen!) Then there's convenience: like Burner-with-a-brain . . . and the new Cook 'n' Keep oven — latest marvel from GAS.

A new automatic GAS range would do so much for you (and your kitchen). And, luckily they're on sale! So buy now and save an extra pot full.

At St. Anthony's

The St. Anthony's Civics Club of St. Anthony School this week received its official charter from the Commission on American Citizenship in Washington, D. C.

The Charter formally recognizes affiliation of the local unit with the national organization at The Catholic University of America. Pupils of Grades seventh and eighth comprise the local club membership.

The officers of the newly organized Club are: Sharon Darby, president; Arthur Jistel, vice - president; Linda Darlek, recording secretary; and James Kopriva, sergeant - at - arms.

Yoe FHA Meets, Box Social Held

The Yoe Chapter of the FHA had its monthly meeting October 24 in the school auditorium. Anna Ripkowski, Chapter president, was in charge of the meeting.

There is to be a District II meeting in Rockdale November 17. Nelda Forster, District II Historian, is in charge of a skit at this meeting. The Yoe Chapter is in charge of the stage decorations and Ann Bowman will give a talk on her stay in Germany.

St. Anthony Civics Club is one of the thousands of Catholic Civics Clubs chartered in the United States for the express purpose of developing informed, responsible young citizens.

The theme of this year's program is "Build Better Local Government". Club members get help in developing this theme from Young Catholic Messenger, national current affairs weekly for students in grades six to nine. Monthly articles in the periodical point up the fundamentals of good citizenship and suggest practical projects for the club members.

In order to raise money for department equipment the FHA sponsored a Box Social. It was open to all Yoe students and the girls prepared a lunch and decorated a box. The boxes were auctioned off and the girl shared the lunch with the boy.

Prizes were given to the girl with the best decorated box and the boy who bid the highest. They were Billy Don Davenport and Anna Ripkowski.

The bidding ranged from 50 cents to \$4.00 and the FHA made \$40.00. The school gym was decorated in a Halloween theme with hay, pumpkins, a scare crow, witches, ghosts and a large kettle was used for punch.

The Spanish Club met Monday and planned their first semester program.

The Student Council in a regular meeting, Monday, made plans for the Homecoming Dance.

The Home Economics classes gave a Box Social Supper, Tuesday. A Sock Hop was held in the gymnasium after the supper.

50TH WEDDING ANNIVERSARY -- Mr. and Mrs. Henry Helpert Sr. will be honored at a reception at St. Michael's Hall in Burlington Sunday, Nov. 11, from 2 to 5 p. m. on their 50th wedding anniversary. Mr. and Mrs. Helpert were married Nov. 6, 1962. Their children and families will be host for the event.

BUCKHOLTS SWEETHEART -- Miss Wanda Mitcham, daughter of Mr. and Mrs. Odell Mitcham of Buckholts, was crowned Buckholts Sweetheart at the Homecoming game between the Badgers and Flat. Miss Mitcham, one of four candidates, is an active member of the pep squad, school paper and president of the senior class. She was presented a bouquet by one of the Badger captains, Morris Jones, also a member of the senior class.

Garden Club Has 'Lovely Lady Tea'

The Civic Garden Club gave a "Lovely Lady Tea" at the First Christian Church recently.

Members of the organization invited guests and about 40 guests and members enjoyed Mrs. J. J. Heitman's slides of Caracas, Venezuela.

Corsages were presented to Mrs. Charles Hensley, Mrs. G. A. McDermott and Mrs. John Ryan.

The table was covered in white with a floral centerpiece. Refreshments of sandwiches, cookies and coffee were served. Mrs. James Wade presided over the coffee service.

Couples Club To Sponsor Dance

Preparations for the Homecoming open house Reception and Dance honoring all Yoe High School ex - students were being completed this week by members of the sponsoring Cameron Couples Club.

The third annual Homecoming event will be held at the National Guard Armory immediately following the homecoming football game between the Cameron Yoe-men and the Caldwell Hornets Friday night.

Decorating at the Armory was begun Wednesday and will be completed Friday. Other reporting completed arrangements were refreshments, music, table arrangement and publicity committees.

In connection with Homecoming activities, the Class of '52 will be honored for their class - reunion year, and special tables will be reserved for them at the Armory club officials said.

Boedekers Set

50th Anniversary

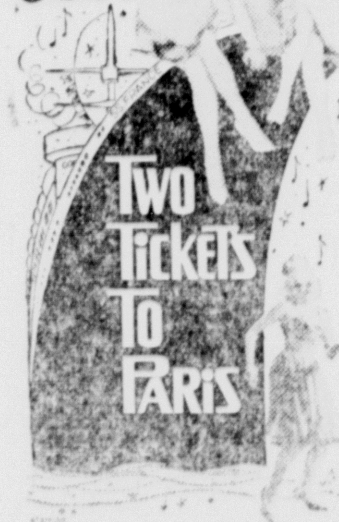

Mr. and Mrs. Emil Boedeker will be honored on their fiftieth anniversary Sunday, Nov. 18 with an open house between 2 and 5 p. m. at their home.

They are inviting all their friends and relatives to attend.

Yoemen Win 1st. Dist. Game, 7-6

The Cameron Yoemen slipped by the Navasota Rattlers 7-6 for the Yoemen's first win of the district season. Navasota remains winless in district play.

It was freshman Mack McKinney playing his first varsity game who threw the touchdown pass to Larry Plentl to score first with only a minute left in the third quarter. With Dicky Ponder holding Ronnie McWilliams booted the ball thru the uprights to spoil the homecoming for the Navasota team.

Navasota came back as they drove from their 20 to score after a series of short yardage punches. Quarterback Mike Mason took the ball over on a sneak up the middle of the line for one yard and a touchdown. Mason tried to go around right end but Eugene Schattle and Bob Dymke were there to stop him short of the line of scrimmage.

Amos Doskocil, a possible all-state candidate, led the Yoemen in rushing with 70 yards carrying the ball 21 times. Navasota had worked on stopping the bruising runner as he racked up 199 yards against Hearne last week. The night's efforts brought his total to 548 yards.

The Rattler's defensive stand-out 190 pound Jimmy Swanson was limited by the Yoemen as they were able to move him most of the time.

FIRST QUARTER
The Yoemen took the kickoff on tie 4 and Doskocil returned it to the 29. Then Doskocil lost seven as the Rattlers poured in on him. Mikula tried a keeper for two yards and on third and 15 Lester punted to the 42 for a 33 yard punt.

The Rattlers drove to the Yoe 7 as they gained 51 yards before the Yoemen were able to stop the drive. It ended as the Yoemen, in a goal line defense, hit the ball carrier and a fumble resulted.

Doskocil carried eight times for 45 yards including a 29 yard run. The twisting turning and stomping Yoe Senior was the work horse as he ran 21 times in the game.

Mayer hit for one and Lester had to punt. He put the ball down on the Rattler 16 for a 35 yard boot.

Glen Slaton took the ball on the first play, tried going around left end but could not find running room. He reversed the field and found the rest of his team standing there. They formed a wall and he moved behind the blockers. Yoe tacklers were hit and Mikula took the last three blockers to allow the sure tackling of Merlin Lester to hit Slaton after he gained 27 yards for the longest run for

the Rattlers.
SECOND QUARTER
They moved to the Yoe 40 where a clip cost the Rattlers 15 yards and a third and 21 situation. The Yoemen took the punt on the Yoe 46.

The anxious Yoemen had another one of the six offside penalties stepped off against them. Doskocil hit for four, Mayer got 8 before another offside was stepped

off against the Yoemen. Plentl gained six but Lester had to punt. The ball laid dead on the Navasota 31 after the 41 yard boot.

After a quick series that gained a total of one yard the Yoemen took over on the Yoe 42.

Doskocil hit for 3 yards twice. Plentl hit for five and a first. Mayer gained two and Wallace picked up four. Doskocil got four and the first.

Mikula tried a pass to Plentl but it went incomplete. Wallace gained two and Doskocil hit for one. Offsides cost the Yoemen five. Lester punted out of bounds on the N15.

The Rattlers took off and picked up a first down. On the next play Mike Mason went back to pass and Lester dropped him for a loss of nine. The Yoemen held and Navasota punted to the Yoe 23.

Doskocil hit for 12 and 4. He was hurt when he was hit. Offsides cost the Yoemen five. Wallace hit for 5 as the half ended.

THIRD QUARTER
McWilliams' kick went to the six and was returned to the N29. Joe Imhoff hit for eight before he was met head on by Mikula. Lester knocked an attempted pass down.

A few plays later the Yoemen took over on a fumble and the

Rattlers dumped Doskocil for losses of 8 and 2 yards. Lester punted to the N10 for a 41 yard boot.

Navasota drove to the 34 before they had to punt.

Cameron took over on Yoe 41 and Doskocil hit for four, Wallace for two and then the Yoemen fumbled.

Navasota took over and ran one play for a four yard loss and fumbled with the maroon shirts on the ball and Cameron took over.

McKinney took the ball and shot a pass to Plentl that was good for 21 yards. He hit Perrin for a six yard gainer. As the defense backed up to respect the arm he gave to Doskocil who gained eight. Then Doskocil hit for one.

McKinney hit Plentl in the end zone for the first touchdown pass of the year for the Yoemen and the first point in three district games. Ponder came in to hold and McWilliams booted the ball

thru the uprights. And the Yoemen were ahead 7-0.

McWilliams kicked to the 10 and Slaton returned the ball to the 35 but a clip moved it back to the 20.

FOURTH QUARTER
With a short yardage, grinding game the Rattlers drove the necessary 80 yards to the goal line. Mike Mason scored on a keeper over the middle. With only 5:52 left in the game he tried to go around right end by Schattle and Dymke were in his way and he was stopped for a loss and short of the all important two points that was the difference in the game.

The kickoff went to the goal line and Wallace grabbed and returned it to the 21.

Doskocil gained three yards in two plays. McKinney tried a third and seven pass that went incomplete. Lester let go of a 37 yard punt to the N39 yard line.

Navasota punched out the small yardage as they moved to the Yoe eight before the Yoemen spilled Mason on the 13 for a five yard loss. Jim Swanson came in with the kicking tee to try the field goal. He has made at least two from greater distances. But tonight he was the goat as it dropped in the end zone and the Yoemen had a touchback. The ball was moved to the twenty with only nineteen seconds left on the clock.

All that was left to do was for the Yoemen to call a play and

McKinney did that and went to his knees as the game ended. And also ended was the four game losing streak as the Yoemen topped Navasota 7-6.

sports herald

By James Hollas

It was a jubilant bunch of young men in the dressing room after the close 7-6 decision over Navasota last week. The Yoemen had won their first district ball game.

There was much yelling and back slapping. Several of the boys were carried off the field by their buddies. Among them was freshman Mack McKinney, who had just played his first varsity game and ran the quarterback slot for the Yoemen the second half. He had only moved up to the slot Monday.

But McKinney had a lot of praise for the line who protected him and Larry Plentl who snagged the pass. "It was a bad pass and Larry pulled it in for the touchdown," McKinney said.

It was one of the cleanest teams the Yoemen met this year according to the boys. There was only one penalty for rounching and that was during the highly spirited touchdown drive by the Yoemen.

It was a great feeling of satisfaction that they had won as the week before the Yoemen had lost to Hearne after outplaying the Eagles. Now the hard work and long hours paid off. You couldn't find a Yoemen who wasn't glad that they had worked hard all week. The feeling of victory cannot be matched.

But on the blackboard in foot high letters was what was on the minds of the Yoemen. "BEAT CALDWELL."

A most gratifying thing happened at the Navasota game. As I went into the press box I met the reporter from the Navasota Paper. In a few minutes his assistant came in. He did the spotting for the press. Very efficiently he went about his job. But he did not say a word the full game. He is deaf and dumb but one of the most efficient spotters I have ever seen.

Hearne continued its lead in District 19AA as they topped A & M Consolidated 14-7. In this game the Consolidated team scored first on an 8 yard run. They kicked the point. Hearne came ack on a pass and ran the extra points. Then Hearne put the game on ice in the third quarter with a 53 yard gallop by Jim Batson. It was another close one for the Eagles but they managed to stay in the lead for the championship.

Rockdale scored on a pass in the first quarter and returned a long punt in the third quarter to win over Caldwell 14-6. Caldwell

scored in the last quarter with a pass.

The Yoemen won their first game in district play over Navasota 7-6. A pass from Mack McKinney to Larry Plentl and the conversion by Ronnie McWilliams plus a couple of strong defensive stands was the difference. Navasota scored after driving the ball 80 yards but they now remain winless in District 19-AA competition.

This week Caldwell comes to Cameron for the Yoemen's homecoming game. Rockdale is at A&M Consolidated and Hearne is host to Navasota.

Last week we hit two out of three. Rockdale spoiled the record as they dropped Caldwell. That miss caused us to have a 21 right, six wrong record.

This week could make it look a lot worse.

The Yoemen have really played ball these last two weeks and Caldwell has just lost to Rockdale. We pick Cameron to upset Caldwell. Cameron 16, Caldwell 14.

Rockdale should have little trouble with A & M Consolidated this week. Rockdale 20, A & M Consolidated 8.

Hearne will hold on to the lead with a win over Navasota. Hearne 24, Navasota 14.

And come on ole Lady Luck. Otto Potts and I need you!

Ray Green

A&M vs SMU Saturday -- Two former Yoemen greets meet this week in Dallas as Southern Methodist University is host to A&M. Both of these boys are 1958 graduates of Yoe High School and played together on the Yoe team. Dillon, now at A&M, played fullback and Green, an SMU end, played end in Yoe High. Dillon and Green are both cited by their coaches as outstanding defensive

players. These two players have both been hampered with injuries and have seen limited action in their college careers. Dillon went first to Del Mar College in Corpus Christi for two years where he was cited as a Junior College All - American. Green is playing quite a bit of offense for SMU at his end position. Barring injuries both of these players will meet head on this week.

November 20, is the deadline for destroying cotton stalks in Milam County. This date is set to comply with regulatory requirements for controlling the Pink Bollworm. Early destruction of stalks and bolls stops the reproduction of Pink bollworms and other cotton insects.

Standard rotary-type stalk shredders will kill up to 50 per cent of the larvae during the shredding operation. Tests with the fall-type rotary chopper show that up to 80 percent of the larvae will be killed. The fall-type rotary chopper

More Soil Being

Tested In Texas

COLLEGE STATION — Soil testing is being recognized by farmers, ranchmen and gardeners as the accurate way to determine the fertility needs of their land, according to a report by William F. Bennett, extension soil chemist, Texas Agricultural Extension Service.

During the report year of September 1961 to September 1962, a record total of 17,766 soil tests were made by the three A & M College laboratories, Bennett says. This exceeds the previous record year of 1959 - 60 by almost 2,000 tests and is much higher than the 1960 - 61 number of 13,967.

The Baylor county laboratory during the year just completed, tested 1,756 samples compared with less than a thousand in 1959-60, says Bennett. The High Plains laboratory, now in its second year of operation, handled more than 4,000 samples as compared with 3,772 last year, he adds. The Texas A & M College laboratory tested 11,990 samples this year, some 2,950 more than the 1960-61 total. The counties submitting the largest number of samples were Hunt, 663, Fannin, 650 and Baylor 577. Thirteen other counties submitted more than 200 samples, while 30 sent in over 100, Bennett says. Some of the out-of-state samples sent for analysis came from Mexico, 231; New Mexico, 21 and Nevada, 15.

These figures show that people are realizing more each year the importance of this service performed by the three laboratories in Texas, says Bennett.

DAIRYMAN'S COURSE

The 1962 Dairyman's Short Course will be held November 29-30 at Texas A & M College. According to A. M. Meekma, extension dairy specialist, the largest information on dairy cattle feeding, breeding and management as well as the marketing of milk and milk products will be presented by a group of top speakers. Local county agents can supply detailed information on the program.

Contribution For

Screw Worm Up

The fall campaign in Milam County has been very successful in that \$3,436.00 has been contributed by Milam County stockmen for the eradication of the screw worm, during October.

There had been \$6,383.55 contributed earlier in the year bringing the total to \$9,819.55 for the year.

John Batte, chairman, was well pleased with the response of Milam County stockmen, and he urged those that have not yet contributed to mail their checks to him or leave it at their bank or at the Milam County Farm Bureau office in Cameron.

"CITY" JOBS

Millions of "city" jobs depend on farming. Some 6 million people are involved in providing the goods and services that farmers buy. Another 10 million work at transporting, processing, storing and selling farm products. It is estimated that 4 out of 10 jobs in private employment are related to agriculture. Across the nation it would be hard to find a more important customer than American agriculture.

Milam ASCS

Report

A shorn wool incentive price of 62 cents per pound has been announced for the period beginning next April, according to Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service. The mohair support price will be 76 cents per pound. The incentive price for shorn wool is the same as for the first 8 years of the program. The mohair price is up 2 cents from the level for the 1962 marketing year.

Sanders also explained that beginning next April the marketing year under the wool program is being changed from an April 1 thru March 31 period to a calendar year basis, in line with recommendations from producers. In making this transition, the 1963 marketing year will be a 9-month one -- from April 1 through December 31, 1963. After 1963 the marketing year will be on a 12-month calendar year basis.

With the marketing year ending December 31, payments for the 1963 and later marketing years will be made beginning in April following.

Local Cow Takes

Production Test

A registered Jersey Cow owned by J. K. Stuart of Cameron, has recently completed official production records giving cow power index ratings. This rating indicates how many times their body weight in milk they have produced during their recent lactation.

Twice daily 305 day milking mature equivalent is, Name of cow, Tristram Silver Sparkle, lbs. milk, 10,406; lbs. fat, 632 and days, 305, Index Rating 09.4

TITSWORTH BUYS REGISTERED BULL

Cornelius Titworth, Cameron recently purchased an Aberdeen-Angus bull from T. B. Carroll, of Bremond.

ing the close of the year rather than beginning in July, as in the past.

Payments now being made under the national wool program are for the 1961 marketing year. Current marketings of wool and lamb from April 1, 1962 through March 31, 1963 may qualify for payments under the wool program for the 1962 marketing year.

Mrs. Smith Hosts

A&M Mothers Meet

Mrs. Niley Smith Sr. was hostess to the A & M Mothers' Club Oct. 23 in her home.

Mrs. Steve Polzer gave the treasurers' report. Mrs. Paul Dillon was a guest at the meeting.

Mrs. Smith gave a report on the work done by the Federation meeting. Mrs. Smith and Mrs. W. W. Balhorn attended the meeting.

The club voted to send magazines and five dollars to the recording fund at the College.

\$42 BILLION

U. S. farmers last year spent \$42 billion to buy goods and services from the rest of us and from other farmers. Though farm people now make up only 8 percent of the nation's population, they bought 13 percent of the petroleum produced in the U. S.; 8 percent of the rubber; twice as much steel as the railroad industry -- about 5 million tons; more electricity than was used by the cities of Washington, D. C., Baltimore, Chicago, Boston, Detroit and Houston combined; more tractors and trucks than any other industry; 50 million tons of chemicals and much, much more. All of us have a big stake in farm prosperity.

Schiller Plans To Attend Briefing

Milton Schiller, state representative - elect District 45, will attend a briefing at Mission, Saturday, November 10 where he and other state legislators will be briefed on the Southwest Screwworm Eradication program. District 45 includes Burleson, Milam and Robertson Counties.

All representatives and senators from the Texas Legislature and the Texas delegation to Congress have been invited to the information session which will be held on what was formerly Moore Air Base near Mission. There the group will be briefed on the Screwworm Eradication Program which has been operating in the Southwest since early this year.

Following the briefing, they will tour the Sterile Screwworm Fly Production Plant or "screwworm factory" where the screwworm flies are reared, sterilized through exposure to cobalt - 60, and packaged for distribution over 80,000 square miles of Texas and New Mexico. The plant currently is producing over 79 million flies per week for dispersal.

Rep. - Elect Schiller said this is a vital program that affects not

only the livestock industry of Texas but every consumer as well. He noted that the screwworm annually costs Southwestern livestockmen and sportsmen an estimated \$100 million.

Fandango, Limbo, Cha-Cha-Cha...

With the Cuban situation in limbo, our eyes turn more and more to the Indo-Chinese even more than Fidel's cha-cha-cha.

Mr. Minon, for present purposes, is no more a dominant factor in India as Prime Minister Nehru demoted him to lesser rank. He had good reason: the Chinese are attacking troops. Mr. Menon had said China and India were brothers, and had not prepared for the inevitable brotherly attack by Chinese hordes.

Mr. Khrushchev has given \$800 million in aid to India through recent years. But Peiping, like Hitler, wanted more "living - room." India would do.

Now Mr. Khrushchev finds he must side with Communist China. And the U. S. and other western nations are flying equipment to Indian aid; indeed India is reopening old World War II air bases built by the U. S.

Thanks to the Kennedy "quarantine", Mr. Khrushchev has lost the cold

war initiative. Communist China seems to be taking up the cry, not only in India, but in its support for Castro's revolution.

The Indian development seems less than important to the U. S., much like China seemed less important to Europeans who think mostly of Berlin. But India with her hundreds of millions, chooses to battle China, with her hundreds of millions, it could be a turning point in Asiatic aggression.

China needs food badly. Starving millions urge the communist expansion to the south. With Viet-Nam adangle with tri - partite government, the push comes now in India.

If India stanches the southward flow of Reds, where will the Communist line next expand?

Mr. Khrushchev would like to know. So would President Kennedy and the rest of the world. We can all be thankful that Communist China, in or out of India, does not have nuclear capabilities.

Improvements Continue Here...

Construction continues at four sites in Cameron, a sign of continued progress in community development. And other developments indicate expansion prospects for the Milam area.

Work is going into final stages on the new Milam ASCS Building, opposite the Cameron Postoffice as the building is ready for outside brickwork.

Roof work is underway on a new cafe building near the 77 Drive - In and nearby a filling station is planned, owners say.

A new church, the Trinity Baptist Church, corner of Crockett and W. 12th St., is being completed and plans include additional construction of a classroom wing when the main frame structure is built.

These are the latest projects in a continuing expansion of Cameron facilities of all types.

Bank deposits continue to be sound in Milam County. Agriculture had a generally good year as cotton produced the anticipated bale quota and acreage yields of grain were strong.

It is a favorable outlook for 1962 with these projects well underway.

In other civic developments, lines being emplaced for sewerline service to West Cameron and street improvements are gradually being expanded at points around the city. East Sixth Street has received a widened base of gravel and plans for paving East Seventh Street have already been announced.

The Texas Highway Department has scheduled repaving for US 77 North to the Falls County Line, according to District Engineer C. B. Thames. Other improvements are continuing in Milam roads.

And about half of necessary funds for construction of San Gabriel River near Georgetown have been appropriated by Congress.

All these projects have not been without a great deal of co - operation and enthusiasm for Cameron and Milam County's future.

The record speaks for itself. The future is bright indeed.

Dateline Austin —

Drive Underway For State Shrine

By Vern Sanford

AUSTIN — A statewide drive is underway to raise \$500,000 for a "Cerama Star" shrine at Washington - on - the - Brazos, where the Republic of Texas was born.

Campaign was announced by Gov. Price Daniel after meeting with Mrs. Mary Moody Northern of Galveston, Robert L. Thornton of Dallas and Gus C. Wortham of Houston, who co - chairman the project.

"Cerama Star," as visualized by designer Clyde E. Gray of Woodville, will be a star - shaped concrete building covering five acres of ground at the historical site near Brenham.

It will contain more than 6,000 square feet of ceramics, tracing Texas history.

Shrine is to perpetuate the memory of the 59 courageous early Texans who met at Old Washington on March 2, 1836 and declared their independence from a tyrannical Mexican government. They set in motion a course of events which saw, within 50 days, the fall of the Alamo, the massacre at Goliad, and the decisive victory at San Jacinto which secured the freedom of Texas.

Back in 1956 the Texas Press Association joined with the Texas Independence Day Organization to encourage construction of such a memorial.

Building is to be shaped like the Lone Star, with a tower rising from center, topped by a powerful searchlight known as the "Light of Texas Freedom."

An elevator will take passengers to the top.

TOURS FOR THE TAKING

Scouts for the Texas Highway Department's Travel Division, always on the look - out for interesting things for tourists to see, have uncovered 342 tours that Texas industries offer in 70 cities.

Information came from queries as to what plants would spread the welcome mat for visitors.

Replies were compiled into an easy - to - read booklet entitled, "Visitors Tours of Texas Industry".

Copies can be obtained through the Travel Division's Austin office, or at any of the eight State Tourist Bureaus.

SUBTERRANEAN CENTER

Texas Department of Public Safety plans to go underground to handle disaster relief operations.

Col. Homer Garrison Jr. reports that ground has been broken for a \$630,000 underground state emergency operating center.

Garrison said the present disaster communications center, located in the basement of the department's headquarters, lacked facilities to handle major disasters - such as Hurricane Carla - at peak efficiency. The new 12,000 foot center will facilitate uninterrupted operation for 30 days.

Designed to withstand the effects of air blast, thermal radiation, residual radiation (including fallout) and chemical and biological agents of warfare, the safety center will be manned around the clock from the time it's completed. It will accommodate about 120 persons, and be equipped with an independent water supply, fuel supply and auxiliary utility power.

PARKS PLANS FALL THROUGH

These water - color illustrations of a \$1,500,000 lodge on Lake Texoma in Eisenhower State Park now are more of a dream than a reality.

Plans for the project fell through when John Prather of Dallas, a member of the Eisenhower Development Corporation, financing the lodge, told State Parks Board executive director Bill Collins that the finance company, holding a \$350,000 note against the marina, had filed for repossession.

THE OLD PHILOSOPHER

Philosopher Admits He Was Jittery About Bomb Scare, For A Somewhat Peculiar Reason

Dear editor:

Despite the fact I've tried my best to keep international leaders informed that this Johnson grass farm out here is the most un - bombworthy spot on the face of the earth, that nobody in his right mind would waste a bomb on it, I'll admit I was a little on the jittery side when those Russian ships were sailing toward those American ships off of Cuba two weeks ago.

Well, not jittery enough to make a run for any place, I don't have any place to run to, but I was uneasy, and the reason is that the world's not ready yet for an all-out missile war. It's too inexperienced.

I mean, it ain't no good enough. Oh, I know the experts talk about intercontinental ballistic missiles which are in place and zeroed in on this or that big population center, but judging by the number of failures, mis - firings, and off - course satellite shots so far, how do I know a giant missile with an atomic warhead aimed at Waco might not get off two degrees and land on my chimney?

This is typical of the human race. You're required to have a license to drive a car 60 miles an hour, a license to get married, a license to sell real estate, a license to even cut hair or run a beauty shop, but any nitwit can pull the pin loosening a missile going 600 miles a second. I tell you, this is a dangerous situa-

tion for a man who has spent years carefully developing a farm that's not worth dropping a cannon ball on.

Building a big city, that's one thing, everybody knows that's a bomb target, but when this Johnson grass farm might get hit through some unlicensed gunner's bad aim, nobody's safe. Something out to be done about it.

By the way, a lot of people are saying, "We sure proved Khrushchev was a liar when he said he didn't have any big missiles in Cuba, then agreed to move them," but anybody who's just now finding out the Russians are liars, well, it's mighty late in the day for him.

Yours faithfully,

J. A.

Heating Equipment

Check Recommended

Heating equipment should be checked now to help assure maximum comfort and safety during the coming winter months.

This reminder came today from Lone Star Gas Company Manager, C. M. Burke, who urged that heating equipment be checked before cold weather sets in. He suggested these safety precautions:

1. Have heating equipment and vent inspected for safe and economical operation. If adjustments are required, call a qualified serviceman.

2. Be sure that your heating equipment has a source of fresh air. See that the gas burns with a bright blue flame.

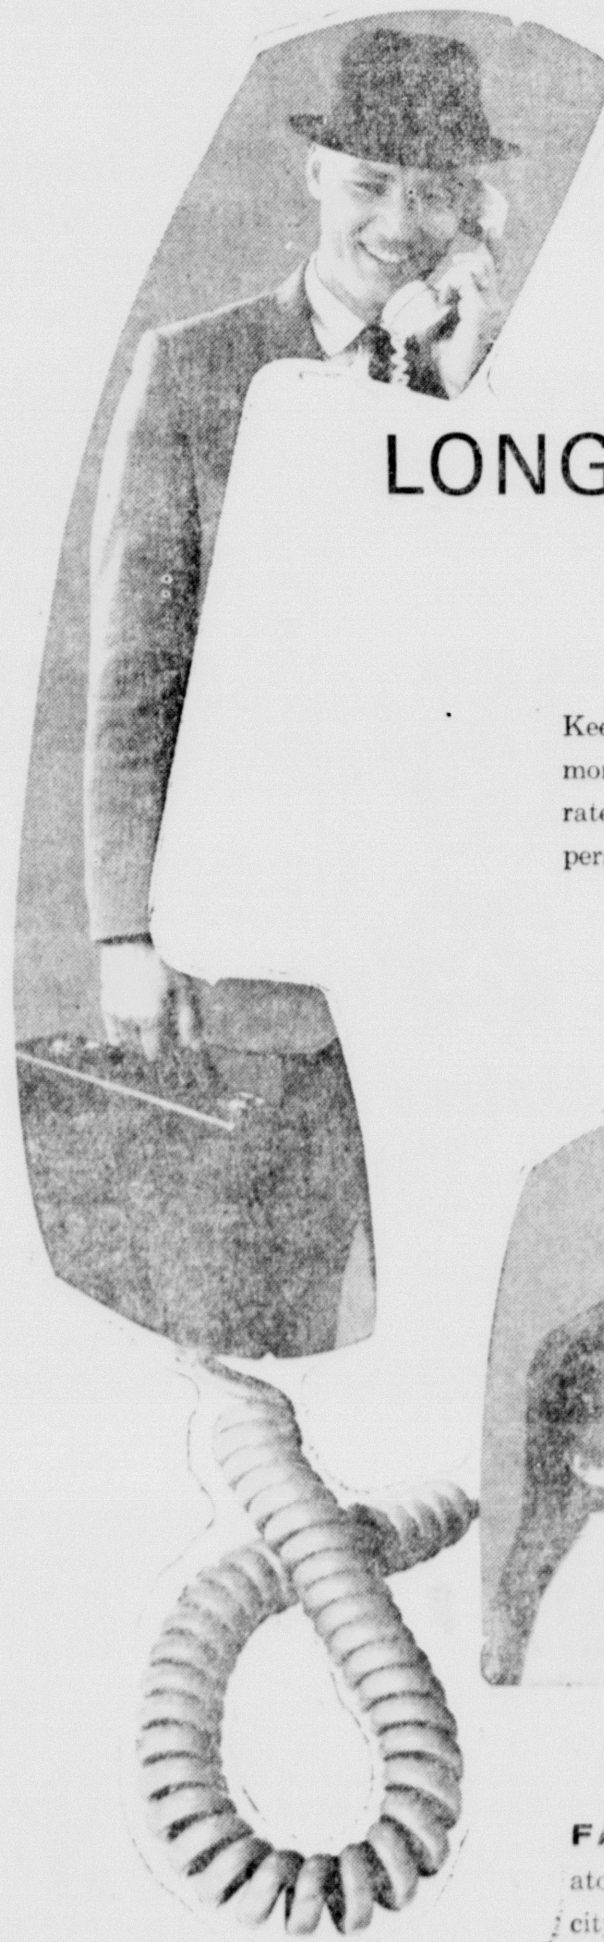

3. Use only metal connectors approved by the American Gas Association. Do not use rubber hose.

4. Keep clothing, furniture, curtains and other combustible materials away from heating equipment.

40 MILLIONS — more than twice the population of the most populated state; almost four times the population of the largest city; equal to the present combined populations of Texas, Arkansas, Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, and Oklahoma.

The question is not "What will we do with so many more people?" but "What will we do for them?"

Since man is inherently religious, these coming 40 millions will become either Christian or pagan — WHICH?

This generation, mainly — not the next — will provide the answer, whatever it is.

MR. CHURCH MEMBER, do you realize that you will help determine the answer? Much depends upon your being genuinely Christian, and assuming an active role as such.

The time for being and doing your best was yesterday. The next best time is today.

IN SERVICE

SAN DIEGO, Calif. (FHTNC)—Marine Private Freddie W. Hoskins, son of Elvin Hoskins of Cameron completed recruit training Oct. 17 at the Marine Corps Recruit Depot, San Diego, Calif.

The indoctrination to Marine Corps life includes instruction in basic military law, discipline, physical conditioning, and other military subjects.

Three weeks are spent on the rifle range, where recruits fire the M-14 rifle and receive instruction on other infantry weapons.

SHEPPARD AFB, Texas. — Airman Third Class John N. Stoskopf of Davilla, Tex., has completed the United States Air Force technical training course for jet engine mechanics here.

Airman Stoskopf studied the maintenance and repair of jet and turbo-propeller aircraft engines. He is being reassigned to a permanent base for duty in his new technical specialty.

The airman, a graduate of North Scott Community High School, is the son of Mr. and Mrs. Chester R. Stoskopf of Davilla.

Edwin E. Tepera, 18, son of Mr. and Mrs. Rudolph Tepera, Rt. 2, Buckholts; Steve Hubnik, 18, son of Mr. and Mrs. August A. Hubnik, Rt. 2, Buckholts; Frank H. Hromcik, 20, son of Mr. and Mrs. Joe Hromcik, P. O. Box 36, Burlington, enlisted in the United States Air Force for four years last Tuesday.

According to M-Sgt. Howard R. Rasmussen, local Air Force recruiter of Bryan, Tepera, Hubnik and Hromcik enlisted under the Buddy Plan and will remain together for their first eight weeks of training.

Upon completion of their training at Lackland Air Force Base at San Antonio, they will receive technical training in the Mechanical Career Field to prepare them for a role on the Air Force Aero Space Team.

Tepera, Hubnik and Hromcik are all graduates of Yoe High School.

Services Held

For A. W. Burnett

Funeral services for Andrew Weed Burnett, 78, were held Saturday at 3 p. m. at the Marlow Baptist Church. Burnett died in a local hospital Friday afternoon.

Rev. Eugene Strickland officiated with burial in Marlow Cemetery.

Burnett was born at Abbeville, S. C. December 11, 1883, the son of I. N. and Elizabeth Bickett Burnett. He lived most of his life in the Marlow Community, moving into Cameron a few years ago.

He is survived by his wife, Mrs. A. W. Burnett of Cameron; three sons, A. W. Burnett, Jr. of Cameron; Clark Burnett of Ft. Worth and Edsel Burnett of Houston; two sisters, Mrs. Conn Moody of Temple and Mrs. W. D. Bigbee of Cameron; Dr. Hampton Burnett of Corsicana and two grand children. Green Funeral Home was in charge of arrangements.

Civic Gardeners

Schedule Program On Holiday Decor

Civic Garden Club will present Mrs. Bascum Hayes of Austin in a program demonstrating unusual ideas in holiday decorations on November 15 at 2 p. m. in the Recreation Room of The First Christian Church.

This program is considered as one of the most outstanding scheduled for the club year and is open to guests for a small admittance fee. Mrs. Hayes will present an art in making decorations which is entirely new to this area. There is an opportunity for those interested in holiday decor to acquire new ideas for festive decorations and an invitation is extended by the club to everyone.

Mrs. Frank Schiller and Mrs. T. G. Raymond will be hostesses for the meeting.

Miss Smith Talks

To Pleasure - Profits

Mrs. Kenneth Thweatt and Mrs. J. A. Looney were hostesses for the Pleasure and Profit Club meeting last week. Miss Ada Margaret Smith gave a talk on the background of the Crisis in Cuba.

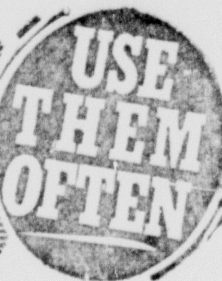

Guests at the meeting were Mrs. Clyde Willis and Mrs. Buddy Shipp. Carl Everett is a new member of the club.

Mr. and Mrs. A. D. Brown and Johnnie of Houston visited her parents Mr. and Mrs. John Thweatt Sunday afternoon.

Rex B. Jones, of Jones Prairie, has purchased the Checker Cab Company and a two story building at 214 S. 1st in Temple.

pital on Nov. 4.

To Mr. and Mrs. Billy Joe Hall
of Rockdale, a boy, David Allen,
eight pounds and fourteen oun-
ces on Nov. 5.

The big smile on Coach Raymond
Bennett's face these days is about
the new guard that has just enter-
ed his family. He and his wife
are the proud parents of a seven
pound, eight ounce boy. They nam-
ed him Charles Spencer.

Mrs. Bessie Brooks spent sev-
eral days last week in Waco visit-
ing relatives there.

IT'S HOMECOMING! All the ceremonies, fellowship and excitement will be at the game Friday night.

Cameron will meet a Caldwell team fresh from a stunning defeat by Rockdale which removed them from first place in the district. They will be hoping to get back on the trail and win the crown.

Our Yoemen have won their first district game since the district play started. They are ready for this game and it looks as they have found the right combination to win a few ball games.

Come out and show that you are behind the Yoemen. They need your support and THEY DESERVE IT!
